

## Group 37 Diary

### Meeting 1:

21/03/2022 - 3.00pm-6.00pm

Present: Diong Chen Xi, Leong Yen Ni, Wong Jiung Ming

Description:

We discussed the basic entities for our conceptual model, and the relations between them. After that, we plotted it out in Lucid chart and made 2 pushes each to our group project on git.

### Meeting 2:

25/03/2022 - 1.30pm - 3.30pm

Present: Diong Chen Xi, Leong Yen Ni, Wong Jiung Ming

Description:

We discussed the relations between the entities and confirmed the cardinalities of the ERD. We made some changes and finalized the product before translating it to UML Diagram. We also translated the ERD to UML Diagram and pushed it onto our group repo in git.

### Meeting 3:

28/03/2022 - 3.00pm - 4.00pm

Present: Diong Chen Xi, Leong Yen Ni, Wong Jiung Ming

Description:

We discussed the assumptions for the minimal cardinalities in our conceptual model and made some adjustments to our conceptual model. We pushed the final model, the assumptions and the group diary onto git.
